IMPORTANT DISCLOSURES FOR ACTIVE MEMBERS OF THE MILITARY AND THEIR DEPENDENTS:

The following applies if at the time of this advance you are a member of the military or a dependent (as those terms are defined in the Military Lending Act, 10 U.S.C. 987 and its implementing regulations), and: (a) your advance is unsecured or secured by personal property or a vehicle that you did not purchase with the proceeds of the advance; or (b) this advance is made for the purchase of a vehicle or personal property, and you also receive additional "cash out" financing (e.g., to pay off negative equity on a trade-in or you otherwise receive additional cash).

1. **NOTICE:** Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: the costs associated with credit insurance premiums or debt protection fees; fees for ancillary products sold in connection with the credit transaction; any application fee charged (other than certain application fees for specified credit transactions or accounts); and any participation fee charged (other than certain participation fees for a credit card account). To receive this notice verbally, please call 1-866-896-8728 during our normal business hours.
2. This advance will not be secured by a consensual lien on shares or deposits in any of your accounts unless you specifically agree to establish an account in connection with this advance ("Secured Account"). Only funds deposited into the Secured Account after the advance is made will secure this advance. Any cross-collateralization provision contained in your credit or membership documents will not apply to the Secured Account or your other share or deposit accounts for any loan subject to the Military Lending Act.
However, with regard to this advance, we still reserve our statutory lien rights and any resulting rights to set-off or administrative freeze under federal or state law, which gives us the right to apply the sums in the Secured Account or any other account(s) you have with us to satisfy your obligations under this advance.
Any contract terms in your credit, security, or membership agreements that contradict the above with regard to this advance are hereby deleted.
3. Your advance is not subject to mandatory arbitration and therefore any reference to mandatory arbitration in this Credit Agreement and Security Agreement shall not apply to your advance.
4. If you are a Louisiana resident, the Louisiana-specific provisions contained in the Security Agreement do not apply to your advance.
